Meritor/Rockwell Clutch Installation Kits

The DT Components product line has expanded to include clutch installation kits for Meritor 9, 10, and 13 speed transmissions; including the “G” platform 9 and 10 speed models. These installation kits contain all of the necessary components to install a new clutch into a vehicle.

Key Features of our Clutch Installation Kits:

- Pilot bearings contain OE specification high temperature grease & Viton seals
- Genuine Meritor gasket
- OE design, 1 piece clutch brake
- Available with both short and long clutch yoke bushings
